

Instructions for finding more details about High School

*The HS directory is much thinner than past years because there is a lot of information about admissions requirements that isn't show.

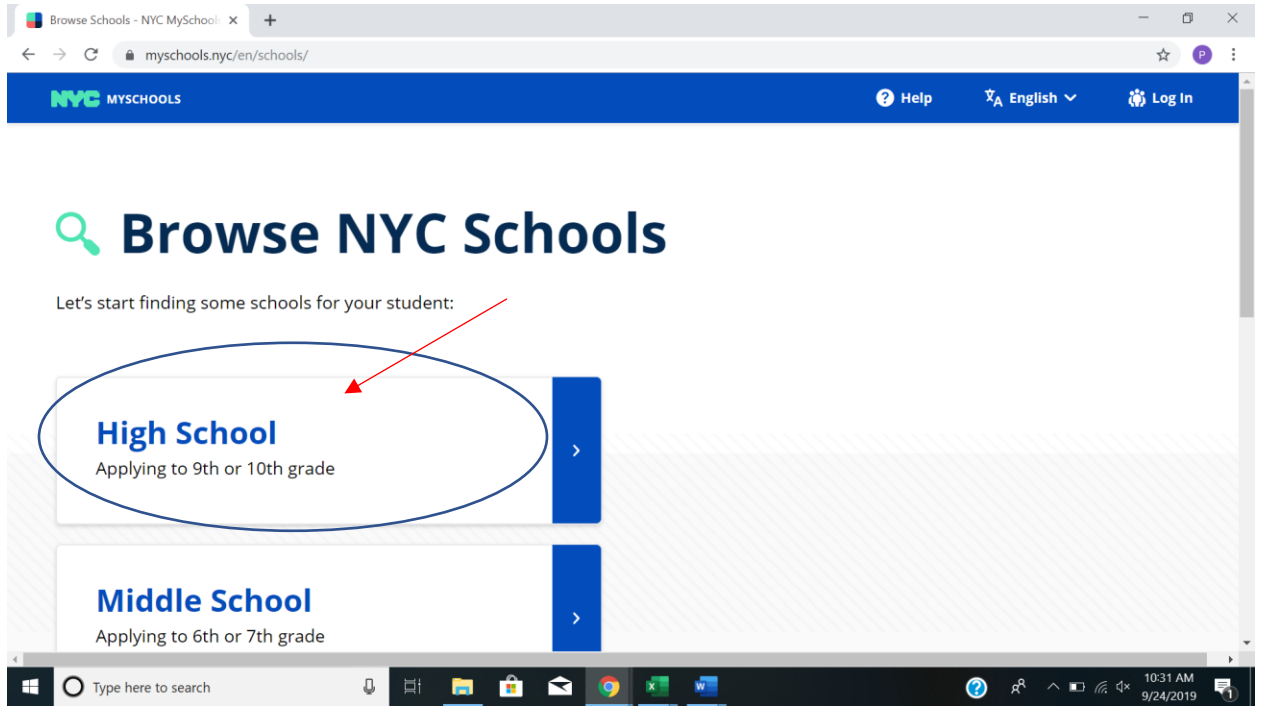

To find admissions requirements for each high school that you are considering, please follow the instructions below:

Visit: www.myschools.nyc (you do NOT need an account)

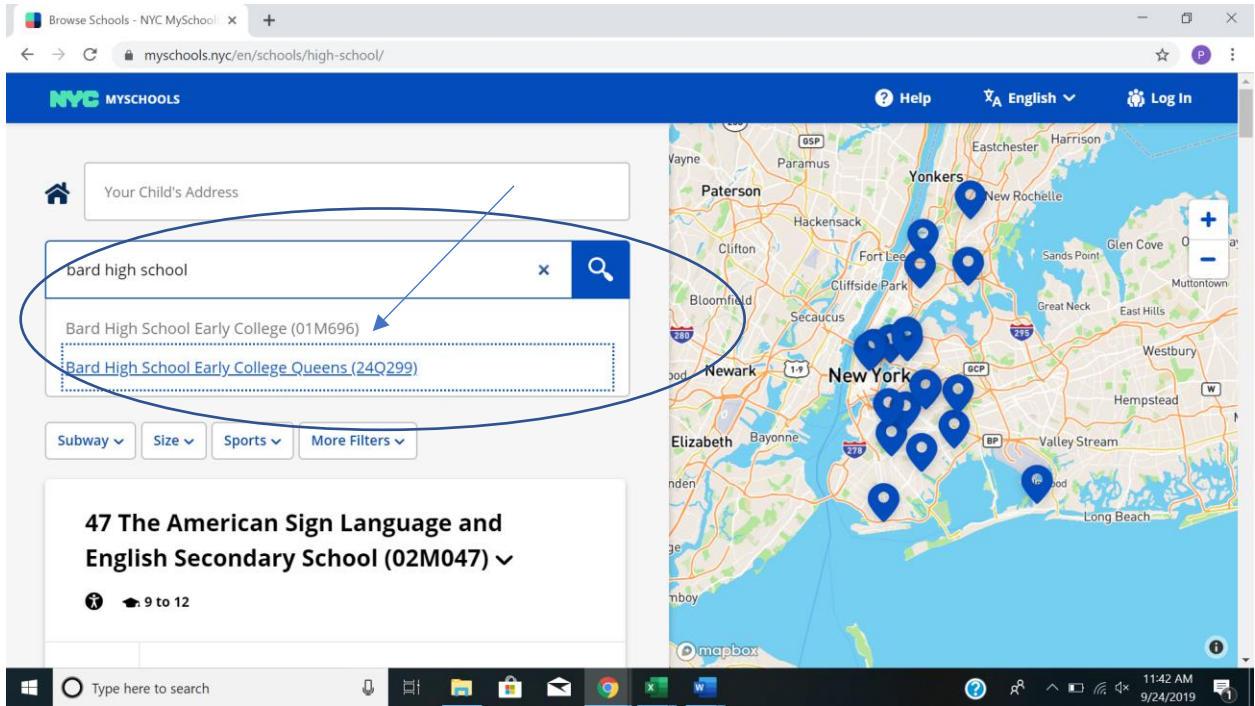

- Scroll all the way to the bottom and click on “school directory”

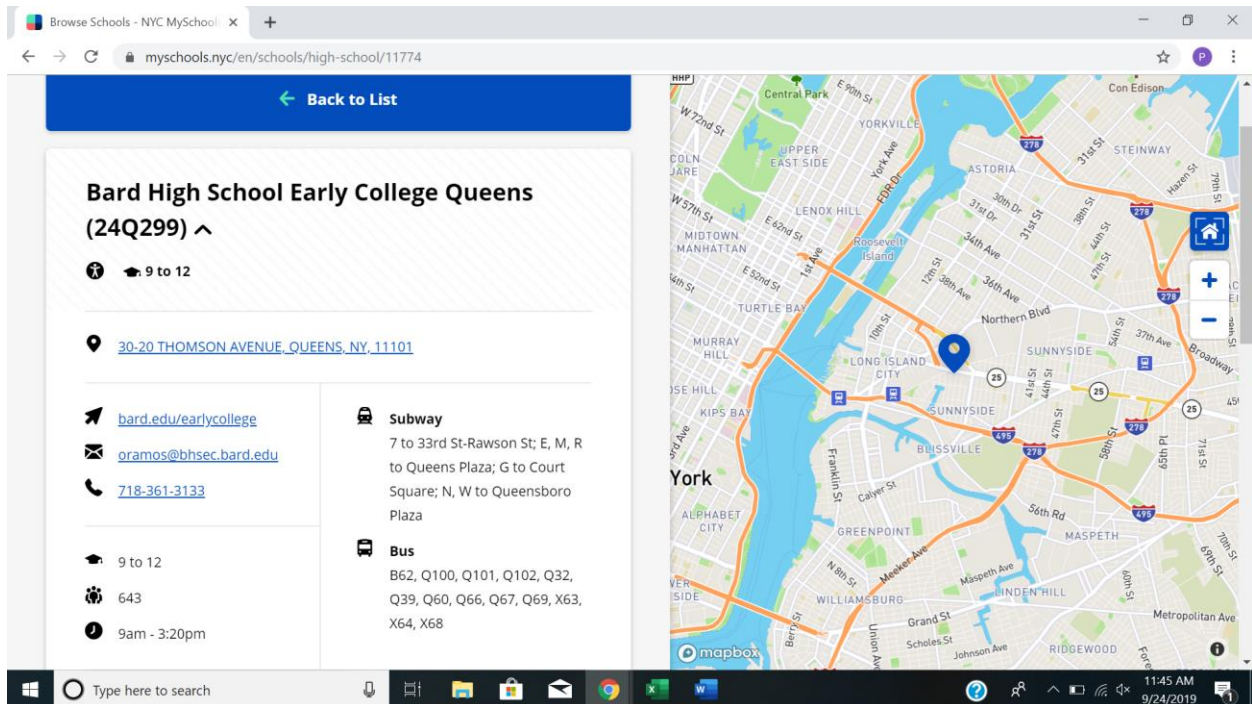

- Click on “High School”

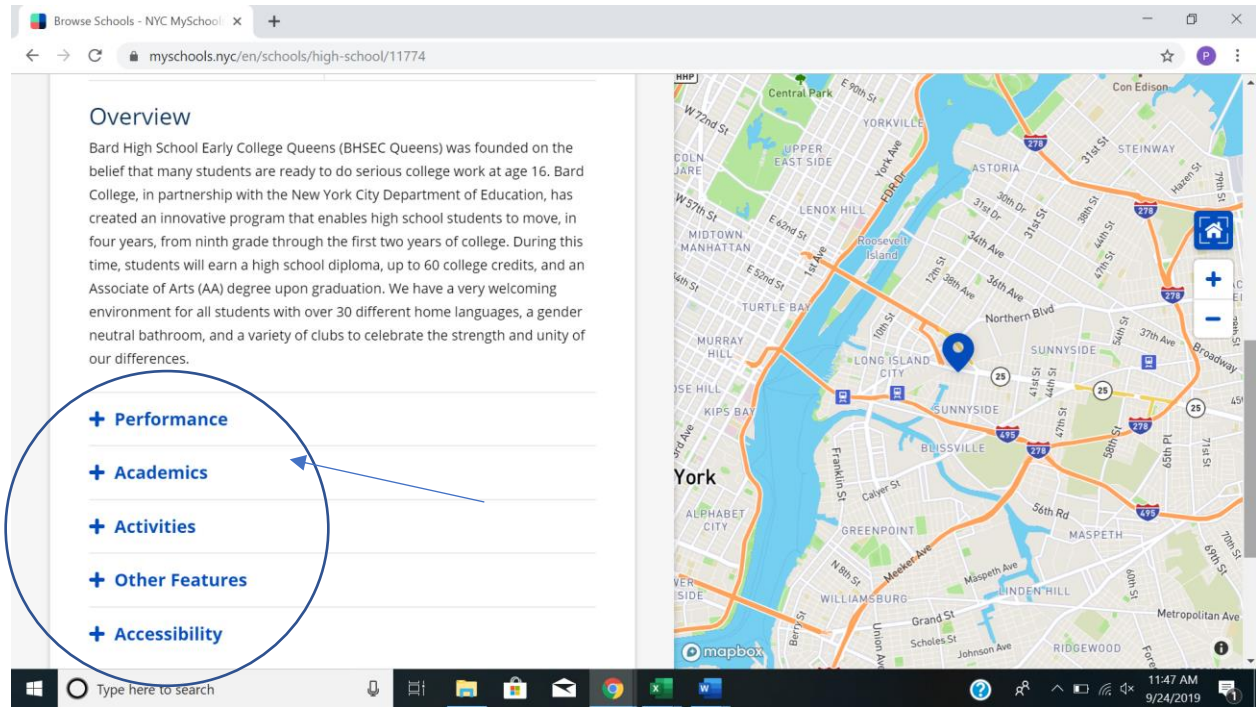

- Input school name that you are interested in
Here is an example of how it would look when you search for a school:
 - Example: Bard High School

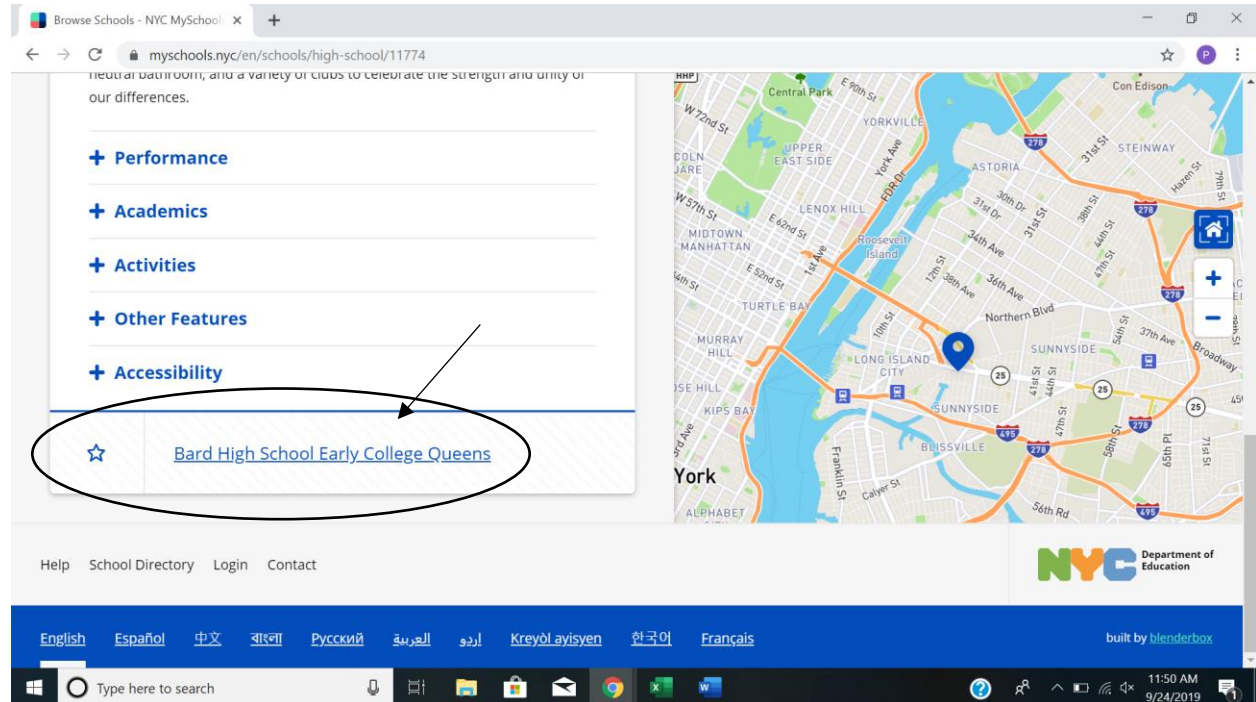

Once you click on “Bard High School Early College Queens” this is what you will see:

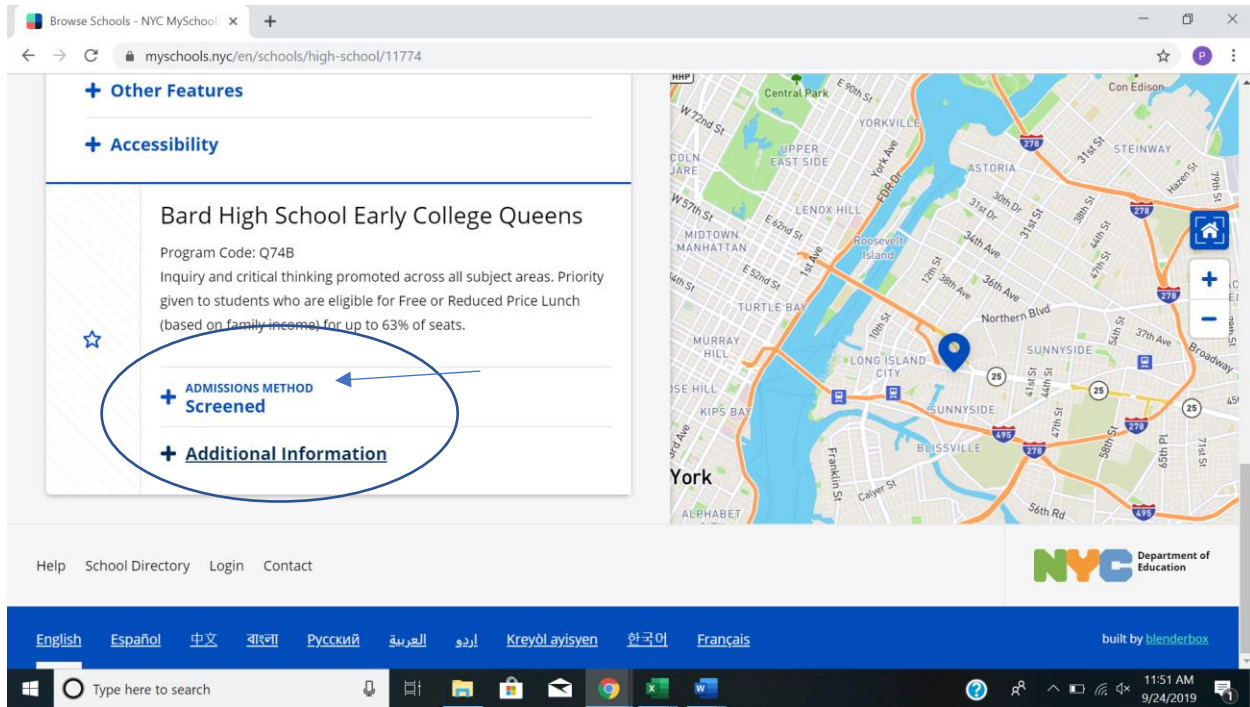

Read all about the school – read each part, you will find valuable information.

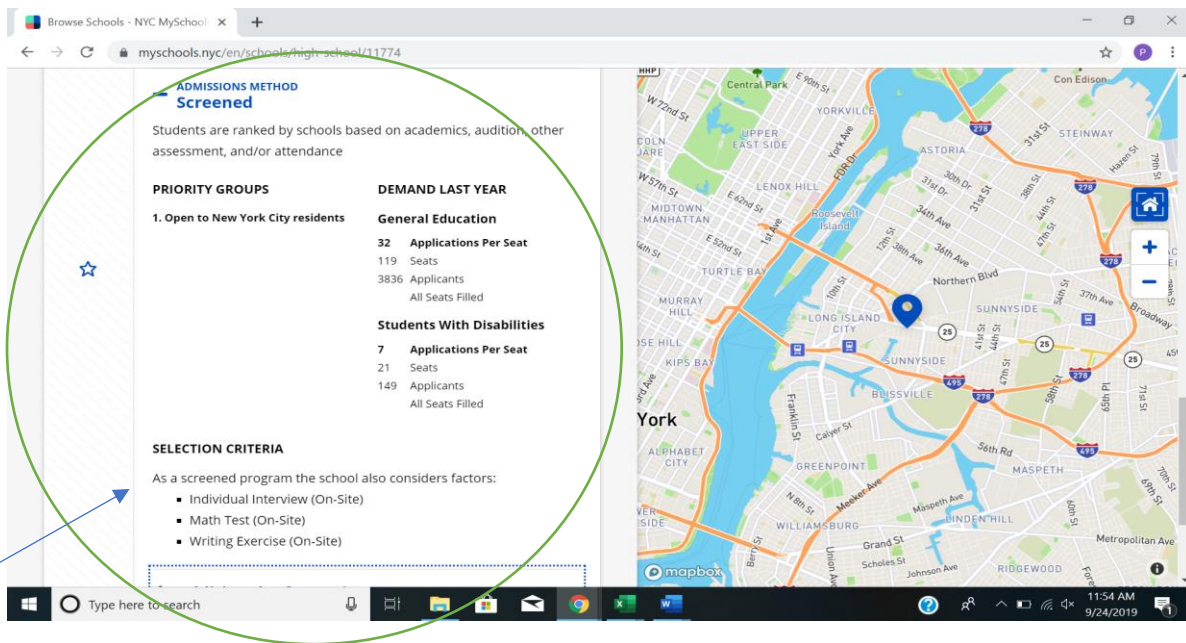

At the bottom, you will see the school name listed again with a star next to it. Click on it and you will find the admissions requirements for the school and their specific programs:

Once you click on it – scroll all the way down and look at this part:

When you click on it – you will see this information:

This is information you would never know if you only looked in the HS directory. You must research each school you are interested in through this portal as well so you know what the priority groups are and what the criteria is to get in.
